INSTRUCTOR PROFILES

Brent Ursenbach

Brent Ursenbach is a Building Construction Consultant, Expert Witness, the Energy/Mechanical Code Specialist at West Coast Code Consultants, an ICC Certified Building Official and a LEED Accredited Professional. He retired in 2018 after 13 years as a Building Inspector from Salt Lake County. Previous experience includes a 33 year in HVAC contracting and 5 years adjunct faculty at Salt Lake Community College. He currently serves on several ICC and ACCA Committees. He is a Past President on the RMGA (Rocky Mountain Gas Association) Board of Directors, served eight years as Chair-Utah UBCC Mechanical Advisory Committee, and the 2019 Utah Chapter ICC Jess Miller Award Recipient. Brent presents across the country, numerous seminars and classes on energy, mechanical and fuel gas code, as well as HVAC design principles. He received a B.S. in Sustainability Studies from U-Mass Amherst UWW. He currently provides statewide energy code training, working with the Utah Office of Energy Development, Building Talks Program.

Tim Collings

Tim Collings was the Senior Building Inspector for Salt Lake City Corporation specializing in Plumbing, Mechanical and Fire Protection systems for 37 years. Tim is a licensed Master Plumber in Utah and was a licensed journeyman plumber in Wyoming. He was also a licensed HVAC contractor and taught in the plumbing apprenticeship program in Salt Lake City for 18 years. He has been a member of IAPMO since 1981. Tim was elected to the board of directors of IAPMO and served in that capacity for seven years. In addition to his work on the board, Tim served on many IAPMO committees including: The IAPMO Plumbing Code Change Committee; the Mechanical Code Workshop Committee; the Credentials Committee; the Special Seminar Committee; the Research and Product Certification Committee; and the Ad Hoc Committee on Grease Traps. In addition to his wide experience as a committee member Tim chaired the Appendix C Committee and the Ad Hoc Committee on Thermal Expansion, and former Chairman of the Uniform Plumbing Code Technical committee. Tim's instruction is supported by a solid background that combines professional experience with a wide variety of committee service.
